

**Message From The President's Corner:**

Greetings and Welcome back to all in our Congregation who have been traveling this summer. As the summer winds down, our out of town Parishioners will also be coming back to Faith. With the start of September, all of our working committees will be back in full swing. September will be a busy month for all, especially the committees that took a summer recess. In addition to the committees, our Bible Study groups will also be active. If you haven't participated in a Study group, this would be an excellent opportunity to try one on for size.

Our Call Committee continues to move forward in the quest for a permanent Pastor. Much work has been done, but there is still a way to go. I must say however, we have certainly been blessed with the Pastors that have participated in filling our vacancy position. A Big Thank-You to All.

Please continue to Pray for the Call Committee and especially Pray for the Church so that we remain the Spirit Filled, Loving Congregation that we all know and love.

Bill Moeller

**CALL COMMITTEE UPDATE**

As mentioned in our last update, we have eight pastors that we are considering for a call. We have reviewed all information on the six pastors submitted by the Florida/Georgia District and have identified specific areas that we feel need clarification.

While we wait for information on the two pastors submitted by members of the congregation, we are refining the questions that we will use for interviews and are attempting to get audio or video copies of sermons.

Once the interview process begins, things should progress more rapidly and a time line will begin to form.

We appreciate your patience and ask for your continued prayers.

In His Service,

Your Call Committee

**AVOID DISSAPOINTMENT !!!**

If you wish to participate in our next election for a pastor, you must be a voting member of Faith Lutheran Church.

If you consider Faith to be your home church but have not transferred your membership, you must do so immediately.

Please contact the church office to begin the process.

Your Call Committee.

**HELP! HELP! HELP!**

Come January 1st of 2011, we will have a serious problem in our Church Administration. Two important positions will be vacant and in need of personnel. These positions are: Church Treasurer and Financial Secretary. These positions cannot be filled by the present individuals now in place since their terms have been fulfilled. If you have the ability to work well with numbers, please consider these positions. Anyone interested in exploring what is involved with these positions, please contact Bill Fick or Bill Moeller. This is very critical to the operation of Faith Lutheran Church.

We will meet on every Wednesday at 6:30pm.

**LOF LADIES:** Most likely, when you receive this Church Newsletter, our first meeting of the year, on Wednesday, September 1<sup>st</sup>, will be over.

However, just to let those who forgot or didn't make it, we have announced our new LOF/LWML President. Who? Well, by gosh, you know who! God's Blessings to her and the new board of officers. We, the membership, are awaiting your calls – to support, to help, to discuss and generally create the good will of Christians. Let's celebrate – cheers to all!

Plans are proceeding with our variety show. A tentative date is October 30th with a rehearsal on October 23rd. More acts are being added as we go to press. It will be held on a Saturday probably about 1 p.m. with the show lasting about an hour or more. There will be a free will offering. We plan to serve refreshments.

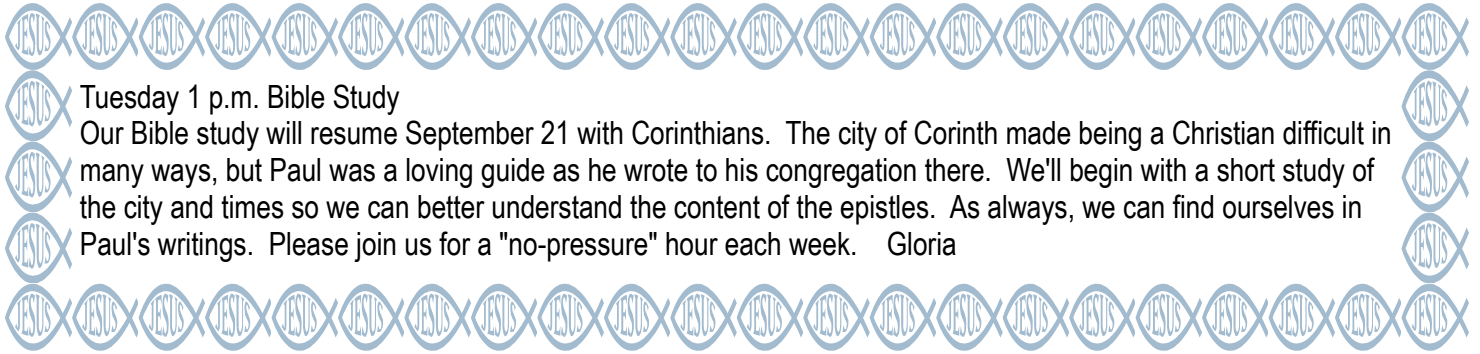

Faith will be sponsoring a girls soccer team. The games will be begin in November. We do not have to furnish coaches and we will have no liability. We hope some of you will attend their games and we will have a schedule as soon as one is published. After the season is over we will plan a party of some kind. Hopefully this will get us noticed in a visible way with our name on the T shirts. We look at this as an opportunity to outreach in the community.

Carol Steans

Mom's Morning Out will be a better program this year thanks to more involvement by those who value the program. We resume on September 16 with some info from Kelli Hope on parents and children and then will decorate some caps. In Oct. and Nov. we'll have a professional painter-teacher give the moms some experience in oil painting and in Dec. a young lady will teach the moms how to make beaded jewelry. These women ask no fee - just reimbursement for supplies. If you have a program suggestion or are willing to share your talent with the moms, let us know.

We do have need of more women willing to help with the children ( third Thursday of the month). You will always work with another person and there aren't a lot of kids so it's easy work (our present helpers really enjoy it!) If you feel you can help out only once in a while, that would also be appreciated. Gloria Schulltz and Shirley Janisko

**Tuesday 1 p.m. Bible Study**

Our Bible study will resume September 21 with Corinthians. The city of Corinth made being a Christian difficult in many ways, but Paul was a loving guide as he wrote to his congregation there. We'll begin with a short study of the city and times so we can better understand the content of the epistles. As always, we can find ourselves in Paul's writings. Please join us for a "no-pressure" hour each week. Gloria

**KINGS WAY**

Traveling down the path of life,  
you'll have your share of happiness and strife.  
It may seem you are all alone,  
no matter where you go or you may roam.  
Looking down from up above,  
His support descends like a dove.  
Jesus knows your name and who you are,  
standing by you and never far.  
His love for you is more than great,  
it's always there and never late.  
Trust in the Lord is giving your heart,  
to the One who will never part.  
Reach out to Him and take his hand,  
He will be with you in this troubled land.  
A loving Jesus is here to stay,  
a walk with Him is the King's Way.

KING'S WAY poem can be found in a plaque hanging on an office wall of a Lutheran Social worker. She is a dedicated Christian woman who has helped numbers of people with family problems. She has also introduced Jesus Christ to many nonbelievers.

**ATTENTION AND CAUTION:**

There has been an increasing trend to forget to set the Alarm System, especially in the Fellowship Building. Occasionally the doors have also been left unlocked. This is a serious problem. Please, if you are one of the last people in the building, check to see that the doors are locked. Also, that someone has the responsibility to set the alarm.  
Thanks, The Trustees

**MILITARY BOXES**

Lois Stern has volunteered to provide the leadership of getting military boxes put together and mailed to our service men and women. A list of acceptable items is on the next page. Also the sales receipt for the items is needed. This is a condition that Thrivent requires when giving us money toward the expense of mailing the boxes. A table inside the door to the Fellowship Hall is set up to receive donations. Thank you for all the donations you have made in the past. If you have any questions contact Lois at 489-6956
